# Save Big on 3M™ PCAP Multi-Touch Displays

**3M PCAP Multi-Touch Displays provide users a truly uncompromised touch experience**

- Bezel-free, glass-to-the-edge design provides the same modern aesthetic found in today's consumer devices
- Ultra-fast response time enables more engaging multi-touch and multi-user experiences
- RS-232 command protocol for managing display operation
- Natural interaction and up to 80 simultaneous touches from multiple users
- Glass surface withstands the rigors of 24/7 public installation environment
- Touch surface and display components remain cool due to the active thermal management system regardless of display orientation
- High brightness and anti-glare technology creates excellent viewability
- Appropriate for a wide variety of digital signage, retail and enterprise applications including endless aisle, product selectors, collaboration and whiteboard applications
