

Elo M50

Mobile Computer

5.5" HD Display

2D Barcode Scanner

Android 10

Product Overview

The Elo M50 is an enterprise-grade mobile computer purpose-built to increase efficiency by putting everything your workers need into the palm of their hands. Complete with a 5.5-inch HD touch display, integrated 2D barcode scanner and NFC, flexible Android 10 OS and Qualcomm 660 octa-core processor, the M50 handheld computer provides seamless integration, effortless provisioning and simplified device management via EloView or your preferred 3rd party MDM.

With rugged housing meeting MIL-810G requirements and Corning Gorilla Glass technology to provide protection against unintentional spills, the M50 is purpose-built to endure commercial use. From checking prices to taking inventory, Elo's M50 allows your employees to be ready on the go.

Connect without barriers - WiFi, Bluetooth and cellular available

Durable design to meet the demands of continuous public use - Gorilla Glass, MIL810-G, IP65

Deploy content, manage settings and maintain the OS with EloView

Battery life to cover your shift and with quick charge, your device can be fully-powered in just about an hour

M50 Mobile Computer

Specifications	
Display	5.5" Optically Bonded High Definition LCD
