Terms & Conditions:

- Reseller Instant Rebates are provided to Eligible Resellers as an upfront discount on the cost of the product resellers are invoiced by their Eligible Distributor during the program term.
- Transactions that are not eligible under this program include without limitation:
 - Sales prohibited under the terms of the Epson Authorized Reseller Agreement between Epson and the reseller.
- Eligible Reseller non-acquiescence of the program terms may result in reseller disqualification from the program and/or de-authorization from all Epson Programs as determined in Epson's sole discretion.
- Epson reserves all rights with respect to payments and other benefits provided for sales activity and does not qualify as Eligible Sales based on any further investigation, including without limitation immediate and full reimbursement from Eligible Reseller and/or Authorized Distributor.
- Epson reimburses Eligible Distributors for Eligible Sales and are expected to pass that savings to Eligible Reseller for their Eligible Sales during the program term.
- Program is subject to available inventory. Epson reserves the right to change the promotion at any time.
- Instant Rebates may not stack with discounts from bids (PE-Price Exception) delivered separately from this offering.
