TH Series Product Launch Rebate

Product Overview:

The 4-inch TH DH Series Desktop Barcode Printers are versatile and flexible for diverse printing requirements. This series' versatility enables printing a wide range of difficult labels, including thick, tiny, and long labels and certain types of vertical market labels.

Product Key Selling Points: (TH Series & DH Series)

- **Seamless Integration, Effortless Deployment**
 - Out-of-the-box auto-switch print language emulation
 - User-friendly and convenient label printing with TSC Standalone Creator and TSCPRTGo
- **Minimizing Downtime, Maximizing Uptime**
 - Real-time remote printer monitoring and management with the Internal Embedded Webpage, virtual control panel, TSC Console, and SOTI Connect
 - Downtime prevention with self-diagnostic TPH Care, TPH (thermal printhead) maintenance, and ribbon low warning
 - User-friendly design: self-diagnostics, toolless TPH and platen roller replacement for easy maintenance, and shortcut buttons for enhanced efficiency
 - Supports network security configurations: HTTPS, SNMPv3, 802.1X, and TCP/IP Port 9100 filter
- **Versatile, Future-Proof Print Quality**
 - 15mm to 120mm wide media width for diverse media types, optional narrow media adaptors support the narrow label width to 10mm
 - High-precision print quality with innovative label stabilizing media damper and adjustments in vertical DPI, heater line, and TPH pressure
 - Addable future-proof upgrades: Wi-Fi, Bluetooth, cutter module, peeler module, care label cutter kit, linerless tear-off kit, and linerless cutter kit

TH Series Product Launch Rebate

- **Environmentally Sustainable Printer**
 - 100% recyclable packaging with FSC-compliant cartons
 - 100% recyclable plastic printer casing made with 30% recycled plastic
 - 90%+ of printer components are recyclable
- **Healthcare Tailored Design**
 - Crisp white and bright full-color scheme, perfectly suited for healthcare environments
 - Antimicrobial, easy-to-disinfect casing for effortless cleaning, vastly reducing the risk of contamination
 - IEC 60601-1 Medical-Grade Compliant Power Supply, ensuring safe and reliable use in healthcare facilities

Additional Program Requirements

Eligibility Requirements:

- This program is valid for TSC Auto ID Authorized Distribution Partners only.
- This program is valid for inventory purchased by TSC Auto ID Authorized Distribution Partners directly from TSC Auto ID.
- Program is non-transferable
- This letter supersedes all prior TSC Auto ID program communications regarding the TSC Auto ID **TH Series Promotional Rebate**.

Claim Requirements:

- Claim must be submitted by TSC Auto ID Authorized Distribution Partner.
- Product must have been purchased directly from TSC Auto ID.
- TSC Auto ID Authorized Distribution Partner must have submitted regular sales out and inventory reports for the preceding three months to TSC Auto ID in TSC Auto ID's required format.
- Refurbished, used or "B" stock products are not eligible.
- All claims must be received within 60 days from the end of the month in which the transaction occurred.
- TSC Auto ID reserves the right to modify or change this program at any time.
- TSC Auto ID reserves the right to request copies of invoices or other supporting documentation.
- Any credit or rebate issued, reflected by, or arising hereunder is not redeemable in cash or cash equivalents. Such claim for credit or rebate may only be used to offset against and reduce obligations owing by TSC Auto ID Authorized Distribution Partner to TSC Auto ID. The claim for credit or rebate is not transferable or assignable.
